ALLAH DINO

WordPress & Frontend Developer

ABOUT ME

I am Allah Dino, a highly skilled and dedicated Frontend Developer & WordPress Developer with 6 months of experience. I graduated from QUEST Nawabshah with a degree in BSIT and have developed a deep understanding of HTML5, CSS3, and JavaScript. My expertise extends to popular frameworks like Bootstrap and React JS.

I am passionate about building responsive and user-friendly web applications, continuously learning new technologies, and improving my skills to stay updated with industry trends.
